

The Southwest Region continues to reap National Success

ESAA have reorganised the county groupings meaning that the region now has 'B', 'C' and 'D' group counties. The most significant change resulting from this is the number of representatives at ESAA T&F Championships as listed within the Track & Field columns (below).

We remain the only 'formalised' schools' region in the country.

This year has again been most successful for the region's counties on the national stage with numerous athletes gaining national honours and our teams winning national trophies.
